Fire Building Level 4 - Lesson Plan

Key Points to Cover:

1 – How to find dry fire wood materials after it has been raining or snowing

2 – How to dry wood that has been rained on, use as a fire ring first.

3 – Home made Tinder: Candles, cotton balls, and wax paper.

Supplies Suggested:

Cotton balls, dryer lint, crayons, wax paper and paper egg cartons.

Activities to Reinforce Lesson:

The Wet Firewood Game: This is a timed game. Divide the group into teams or individuals. Soak the fire wood with water that each group needs to get burning. The group that takes the shortest time to get the soaked fire wood to burn wins. Hint: Soak the wood for 10 minutes in water before each team starts.

Melt crayons into the paper egg carton wells about ½ inch thick. Cut up the carton and you have 12 fire starters.
