Cross Country Skiing

Object-Skiing Trails

Bible Verse- Proverbs 3:6- In all your ways acknowledge him, and will make straight your paths.

Lessons- Keeping your skis within God's tracks

Introduction Ideas-

You could ask the kids if they have ever tried to walk around their house late at night with their room dirty.

You could set up your campers at the bottom of a hill with no ski tracks. After a student stumbles and is unable to get up the hill put you students in the ski tracks and show them what it is like to ski in the tracks compared to ski outside of them.

Lesson Suggestions-

Once they have realized that it is much easier to cross country ski with tracks read the passage. Whenever we are in God's tracks he will guide and help us. Believing in Jesus Christ as our Savior threw God's grace allows us to stay in the tracks and those tracks lead to heaven.

Questions for Interactive Lesson-

How do we acknowledge God?

-We look to Jesus Christ as our Savior from sin. His death has made all of our sins as white as snow.

How will he make straight our paths?

The way we make straight our paths by guiding us in our physical and spiritual life. Whenever we are in trouble we can turn to God to comfort us.

Closing Prayer: Dear Lord guide me in your paths, thank you for blessing me with the blessings of the Boy Pioneers, and the ability to come out on this beautiful day and cross country ski. Keep us safe and help us enjoy this activity which you have created. In your name O Lord, Amen
