

Fire Building Level 1 - Lesson Plan

Key Points to Cover:

- 1 – The three things a fire needs to burn: Oxygen, fuel, and heat
- 2 – Prepare the site
- 3 – Build the fire ring
- 4 – Types of fire wood: Tinder, Kindling and wood
- 5 – Types of Fires: TeePee and Keyhole

Supplies Suggested:

Bring in examples of Tinder, kindling and wood to show the group. If restriction in your area permit, take the group outside and actually light the fire.

Activities to Reinforce Lesson:

The Gathering Game: This is a timed game. Divide the group into teams or individuals. In 10 minutes have each team gather as much of each type of material to form a fire as they can. The team who gathers the most material wins.

Devotion:
