LUTHERAN PIONEERS

OUR MOTTO

Lutheran Pioneers - Preparing Boys for Life in God's Creation and Eternity.

OUR MISSION

Lutheran Pioneers exists to assist congregations in nurturing and training boys in the Lord so that they will remain faithful to Him and faithfully serve Him throughout their lives.

OUR GOALS AND OBJECTIVES

To achieve our mission, Lutheran Pioneers provides materials and training that assists in conducting a ministry under the direction of the Pastor and congregation that:

- ◆ Through devotions and interaction, proclaims the gospel of Jesus Christ, and teaches obedience to all He has commanded
- ◆ Is of interest to preteen and adolescent youth.
- ◆ Teaches useful skills (both historical and modern) for living in God's world.
- ◆ Teaches an understanding of God's creation and our role within it.
- ◆ Cultivates Christian leadership skills.
- ◆ Encourages fellowship with Christians.
- ◆ Encourages serving our Lord by providing opportunities to serve our fellowman in our family, neighborhood, church and community.
- ◆ Seeks to keep boys involved in the church by faithful service to our Lord through their teen and adult years.

Lutheran Pioneer Prayer

(Traditional Format)

Jesus, help our eyes to see,
Our salvation earned by Thee.
Jesus, help our ears to hear,
Calls for help from far and near.
Jesus, help our feet to go,
In the way that Thou wilt show.
Jesus, help our hands to do,
All things loving, kind and true.
Jesus may we helpful be,
Growing every day like Thee. *Amen*

Lutheran Pioneer Prayer

(Contemporary Format)

Jesus, help our eyes to view
Our salvation earned by you.
Jesus, help our ears to hear
Calls for help from far and near.
Jesus, help our feet to go
In the way that you will show.
Jesus, help our hands to do
All things loving, kind, and true.
Jesus, help us, great and small,
Share your love with one and all. *Amen*

Thank you for taking time from your busy schedule to look at and study the Lutheran Pioneer program of youth ministry. This program for boys, established in 1951, has continued to serve the Lord for more than 60 years. During that time we have been blessed with the opportunity to touch the hearts of well over 75,000 boys, parents and men and women volunteers. We praise and thank our Lord for that opportunity and pray that He will continue to guide us as we seek to help our boys "put God's Word into action" as they travel the "Godly road to Christian adulthood."

Congregations that participate in the Lutheran Pioneer Ministry are chartered and called Trains (we needed to call them something rather than just group and Train relates to our heritage). Trains are assigned a Train number that is theirs from then on. Should the program become dormant for a time and then reactivate the same Train number is used as before. Membership in the Lutheran Pioneer Ministry involves a maximum fee of \$200 annually, Trains that are getting started or restarted after a long hiatus will have the fee waived for the year that they start up. The fee is \$20 per boy up to the maximum of \$200. The fee is purely to pay the expenses of program development and distribution via the internet, hosting our website and maintaining the program as a whole. Lutheran Pioneers is an all-volunteer organization with no employees. Your continued financial support is very important.

In the materials included in this document and in other items included we will attempt to answer the questions you may have about the feasibility of the Lutheran Pioneer program for your congregation and situation. We have a program that is constantly changing, updating and developing new ideas and methods while continuing to remain true to our main purpose of sharing the wonderful Gospel message of salvation.

LP was started as an organization that mirrored scouting, but had Christianity and the inerrant Word of God at its core. As society changes so do the needs and situations of our many congregations, and the interests of the boys within them. For that reason, we continually strive to offer new materials and methods that may better serve the ministry plans of a variety of congregations. Your congregation can choose to use any or all of the materials, although our plan is to require that a few core subjects be covered. Following is an explanation of what we now offer or are developing for future use. We are even developing a method for boys to participate whose congregation does not have a train.

How it works....

All of the program materials and the instructions are found directly on the website. However, in order to view these items, you will need to log in to the website, and in order to login you will have to register for an account. You can do that here.

<http://www.lutheranpioneers.org/register/>

(Note: You should probably register as a leader. Boys and parents will register later)

Then sign in and look through the "Topic List" to get an idea of the kinds of things that LP teaches, does, and encourages, all while sharing the Gospel.

Boys are encouraged to study and learn in various ways including, demonstration, lecture, field trip, and guest speaker; but mostly through a program of self-study. When a subject lesson is mastered, the boys are certified by a Leader, or other designated person, perhaps even a parent.

Boys are motivated to continue learning new and more advanced subject matter, by a system of rank and knowledge concentration awards. There are core subjects and levels within those subjects that are required for rank advancement, along with a set number of electives. This system allows for uniformity throughout all of Lutheran Pioneers, but also allows even individual boys to tailor the program to their own personal interests. There are no specified age or grade groupings within the program. Boys may proceed at their own pace without limitations except as controlled by you or applicable law. (i.e. the completely elective subject of shooting) and much of the content can be totally self-paced and done online. (Although the very young may need some help from a parent for online participation.)

The subject matter is diverse and has been specifically chosen, both from the heritage of Lutheran Pioneers and a focus on newer material that is not necessarily taught in school. We continue to add new subject material that are either fun things to learn about or things everyone should know before they reach adulthood and set out on their own.

We have also strived to make it easy to be a Lutheran Pioneer Leader. Although the more leaders you have the easier it gets, we have developed the program so that trains with only one leader are possible. Utilizing other members of your congregation or community for single subject teaching or testing, makes it much easier. For instance, you may have an EMT in your congregation that would be happy to either teach or test a first aid element, once a year, but it is likely he is unavailable to be a full-time leader. A leader does not have to know it all or even do it all. Another example - A boy gets certified as a lifeguard at the local pool, this certainly would mean that he has met the LP swimming requirements, and the leader does not have to test him.

Because of the self-study and test method; it is likely that your meetings can be more about having fun, doing projects, and sharing God's word. You may still choose to teach a particular subject in a classroom style if you wish, in fact we will have lesson plans available for that purpose. This method also makes it easier for those trains with limited resources, or those who choose to meet jointly with Lutheran Girl Pioneers.

Keep checking the website, we plan to remain in a state of growth and change.

There is also a program of National level activities-continue reading.....

Adventure Activities (Participation grades vary depending on the activity)

Lutheran Pioneers has developed and conducts a variety of activities open to participants and to their friends, neighbors and relatives. Currently there are 5 activities being regularly conducted and several others that are on hiatus or dormant for now. Following is an overview of the various activities:

Family Jamboree

This event is in its initial planning stages with the first dates set in mid July 2020. Entire Families are invited to spend several days or just a day on a beautiful 35-acre site complete with disc golf course, beach, canoes, and trails. We are planning to also have onsite planned activities, like Archery, rock climbing wall, radio controlled boats, and flying drones, with more info to come as planning is ongoing. Families could come and camp there for days, include it as part of a vacation, or spend a night or two in a local hotel. Watch for more info!

Pine Car Derby

This is a one-day activity currently held in the spring of the year. Local groups can participate in the program by building the Pine Car racers from kits purchased from Lutheran Pioneers. The cars are then raced at a local race. Various Districts and Regions of our program conduct District races. Boys who finish in the top levels of those races move on to the International Pine Car Derby. In Districts where there is not race, individual Trains are able to send cars to the International Derby to participate. Boys are able to participate in either speed or craft competition at the International level. At local and District levels they often compete in both categories. Trophies and ribbons are awarded at the International level. Boys do not need to be present to participate. Cars may be sent to the race if it isn't possible for the boy to attend.

Adventure Camp (not being held in 2020)

Camp LP is a week-long resident camp for boys who have completed 3rd grade or higher. A volunteer camp staff instructs the boys in a variety of topics and provides a variety of activities during the week. Boys can choose topics that are of interest to them. Each day includes Bible Study time. A kitchen staff provides meals. Boys sleep in cabins except for one overnight

off sight activity (bike trip, canoe trip, hiking trip or campout). Site of the camp varies but is generally in the upper Midwest.

Voyageur Canoe Trip

This is a week-long canoe trip in the Boundary Waters Canoe Area of northern Minnesota. Participants need to be able to paddle a canoe for longer periods of time, carry a pack on portages and help out with cooking meals and setting up camp sites. Generally, boys in 7th grade and older can participate.

Ranger Backpacking Trip

The Ranger Trip is conducted in the odd number years and alternates between two locations (San Juan Mountains of Colorado and Paria Canyon of Arizona and Utah.) Participants must be able to hike the distances involved carrying their equipment in a backpack. Generally, boys need to be 15 or older to participate.

Bike Camp

This activity is a weekend camp in Southern Wisconsin and is focused on a lot of things regarding cycling. Participants provide their own bikes, but we can make arrangements for rentals as well. Activities are road cycling, mountain biking, fat-tire cycling, etc.

This event is held in early August .

ABOGIALC Canoe Trip (Currently on hiatus – but getting closer now that we have found such a canoe again)

The weekend trip involves traveling one of several larger rivers in a 24-30 foot voyageur style canoe. 12-16 participants are in each canoe along with their gear.

A Bunch Of Guys In A Large Canoe (ABOGIALC)

Movie Camp

Boys will learn about film-making and cinematography—and they get to put what they learned into “ACTION!”

The boys learn all of this and then come up with an idea for story, write the script, cast the film, learn the parts, act the film and assist with direction and editing. All of this happens in a weekend at Salty Earth Pictures movie studios in Fort Atkinson, WI.

REGIONAL ACTIVITIES

National also assists in making arrangements for various regional activities. Examples include fall, weekend-long archery camps in Wisconsin and Michigan, and a regional Klondike sled derby attended by trains from southern Wisconsin and Northern Illinois.

We hope to continue to develop these regional style activities in more regions across the country and elsewhere, with the help of trains like yours.

Program Costs -

How much?

The annual fee is \$20 per boy but is capped at \$200 per year per Train.

Our feeling is that no congregation should be without Lutheran Pioneers; and certainly, no congregation should be without it due to cost. **If cost is an issue, CALL US.**

Start up costs?

The annual fee is waived in a train's first year or even their first year after a prolonged period of inactivity.

Our feeling is that no congregation should be without Lutheran Pioneers; and certainly, no congregation should be without it due to cost. If cost is an issue, CALL US.

Rationale For Fees

Lutheran Pioneers is an ALL-VOLUNTEER ministry organization, as such we have no physical office location and no employees. This has not always been the case. In 2014, we returned to this leadership model in our efforts to keep cost from being a prohibitive factor in a congregation's decision to have a Train. However, there are still costs associated with developing and maintaining what we offer. There are costs to host a website, have a post office box, insurance, house and maintain our computer server, etc. These costs are what the fees pay.

Individual events like all of the National Activities are self-sufficient entities that are funded by the registration fees for each individual event.

The fee is not used for any other purpose, other than the actual costs of program benefits utilized by every Train.

Length of International Membership Year

Your membership is for a full 12 months of the year and begins for currently active groups on September 1.

How you generate the Fee Amount:

The way in which you gather your program fees can be set at the local level in whatever way works best for your Train. Your congregation may choose to fund the total cost through the church budget much as it may fund the Sunday School or other outreach efforts. You may assess a fee to each boy attending. You may choose to have fund raisers or donations to offset the costs involved or you may use some combination of funding ideas. Whatever way you choose will be up to your congregation. Because the fees are not based on individuals you may find that your program better meets the needs of today's busy families. Boys can attend for part or all of the year, they can join later or right at the beginning.

Local Train Fees (money that you need, keep, and use locally)

Each group may set their local fees based on their projected expenses and the amount of additional support available from their congregation budget, fund-raising activities and gifts.

The local fees can be set based on what the Train plans to do. Some Trains will charge a set amount and then from that amount provide each boy with the needed program or project materials. Other Trains will charge a lesser fee and then have each boy purchase their own materials.

Cost Summary

Based on the information supplied in this section you should discuss what would work best for your congregation.

Keep in mind that your Lutheran Pioneer program can serve as an outreach into your community much the same as your Vacation Bible School and Sunday School do. In fact, we encourage you to use the program in that way. It is the main reason we set our fees in the manner we have. We do not want "numbers" to be a deterrent to the program usage.

Our leadership is 100% committed to keeping Lutheran Pioneers affordable, and relevant.

Some ideas and suggestions

STEPS TO STARTING A LUTHERAN PIONEER MINISTRY

Listed below are some possible steps to follow as you consider chartering or reactivating a Lutheran Pioneer Program of Youth Ministry in your congregation. You may have already completed some of these steps. Others may not be appropriate for your congregation. The steps are meant to be a guide. We realize that as you begin the excitement is high to get going and start right in but a word of caution here. Unless you have someone, who is experienced in the Lutheran Pioneer Ministry, you can run into problems if you don't spend some time planning. That is why we suggest some early meetings that are not centered on the boys giving volunteers an opportunity to look over the materials and lay out a plan for the coming year. Of course there are many pioneer trains that are run by a single individual and a meeting would be unnecessary.

If you have any other questions please contact the Membership Team Leader at 888-214-8225 or 920-342-2612, or membership@lutheranpioneers.org.

- 1) Read through this booklet and the website (www.lutheranpioneers.org) and share the information with other interested members of your congregation
 - To see some of the content on the website, you will have to "Log In"
 - In order to Log In for the first time, you will need to create a Log In ID and password.
 - This is done by clicking on the menu item "Log In" and then clicking on the words "Register today". Since you are a leader – be sure to select the "Register as Train/Group Leader" option.
- 2) Get the permission and support of your Pastor and responsible congregation board or committee.
 - You also may want to find out if there are other nearby WELS/ELS congregations who might be interested in joining in your Lutheran Pioneer program.
- 3) Hold an information meeting for interested adults and boys.
 - Publicize the meeting using the brochures found in the appendix
 - Show "Back to Adventure" video.
 - You can use the included sign-up sheets to find out the interest. (See appendix for copies.)
- 4) Assess the interest of the boys and adults.
 - o Recruit adult help for the program

Hold a second meeting of adults willing to serve on the leadership team for your program.

- Make a decision on whether to proceed with chartering or reactivating a program.

- Decide on a method of funding your program. Possible methods would be funding through the congregation budget, a door offering, some type of fund-raising project, support by a group from the congregation, assessing each boy a certain amount or a combination of several of these ideas. Your decision depends on your congregation's policies.

Submit "Annual Train Registration Information" to the International Office. This is done online. When you log in using the Leader log in that you created. There will be a button titled "Annual Train Registration" to get this done. If you don't know your train number either call or email us and we will get it to you. 920-342-2612 or office@lutheranpioneers.org

Meet with the program volunteers to plan your program for the coming year.

- Choose a meeting night and the number of meetings you will have each month.
- Decide on how long your meetings will last.
- Decide on how many and what special activities (parties, picnics, field trips, etc) that you will have.
- Develop your yearlong calendar using the forms and suggestions provided in your program's leadership materials.
- Plan your first several meetings and activities.
- Share the information with the leadership team

D Publicize your meetings and activities.

- Let parents know about your meeting and activity plans.
- Inform the congregation board or committee that oversees your program.
- Customized brochures are available from the International Office

D Hold your first meeting with the boys.

D Inform the International Office of any changes in your leadership.

D Continue your meetings and begin planning future meetings and activities.

- Use the provided program materials.

May God bless your Lutheran Pioneer ministry that with His help you will lead your boys on the Godly road to Christian adulthood.
