Lodging:

Lodging is available in the form of bunkbeds in cabins, or on the second floor of the chalet (main building). Heaters and fans will be available in the cabins. Bathrooms and showers are available in the chalet.

You may also camp at the campground at no additional cost if you so choose. Electrical hookups are available at the sites, and there is a dump station. Firewood is available for purchase from Pineridge Campground at your own expense.

Medical concerns

If your child has any medical concerns such as allergies, or needs certain medicines, we are willing to work around these concerns. For medications, the child will be responsible for taking the medication, though you can ask that we remind them. Please bring your questions and concerns to us at archerycamp@gmail.com
